CREDIT CARD AUTHORIZATION FORM FOR CREDIT REPORT

I/We have applied for a mortgage loan. As part of the application process, I/We understand that a credit report(s) is required for Pre-Approval for Mortgage Credit Report. Credit reports are typically good for 90 days, but when a lot of time passes between being preapproved and closing on a home, then mortgage lenders may pull a second copy of your credit report. Credit report costs between \$30 (Single Borrower) \$60.00 - \$100.00 (multiple reports) depending on how many credit reports being pulled.

I/We hereby authorize Think Mortgage to release this information to the lender for this purpose and authorize the billing of the credit card information set forth below for the cost of the credit report. I/We understand that the fee is non-refundable.

I also authorize Think Mortgage to pull my/our credit report(s) for this transaction.

All information contained in this disclosure will be kept strictly confidential and will only be used for the purpose set forth in this document.

A copy of this authorization may be accepted as an original.
